

## **EPURON with new headquarter in Hamburg**

**Hamburg, 01. June 2011:** After the outsourcing of the wind business of EPURON from the Conergy AG und the new strategy of the company focused on the core business wind, now the final step is done: in May 2011 the team of EPURON moved out of the offices in the Berliner Bogen and is now placed in the new headquarter in Hamburg's HafenCity.

The new contact of EPURON Holding GmbH & Co. KG is:

*Am Sandtorkai 70*

*20457 Hamburg*

*Germany*

*Tel: +49 / 40 / 570 151 – 100*

*Fax: +49 / 40 / 570 151 – 200*

### **About EPURON:**

EPURON is developing, financing, constructing and operating wind farms in Germany and France. The company's strategic target is the creation of a significant portfolio across these two countries to become a medium-sized independent power producer (IPP).

Since the beginning of 2011 EPURON has been a part of Impax, a specialist investment management company dedicated to the environmental sector.
